With the help of Keys to Great Calligraphy, find out how to select suitable lettering tools, inks, colors and papers; achieve better pen control and learn how to check spaces within the text; plan a layout and introduce color into your work; and lift your calligraphy out of the ordinary and turn it into something striking and original. Keys to Great Calligraphy by Judy Kastin. Calligraphy is defined as beautiful handwriting but it is essentially much more than that. When you know how to make calligraphy you are an artist. By learning this special art you can impress friends, make things look much neater, and develop an eye for detail. This is great for all three and I Seller Rating: % positive. I was surprised at how small this book is when it arrived, but knew I needed it as part of my calligraphy library. There are so many helpful techniques, and they're written in such a clear, concise manner.5/5(2).
