Pali is the language used to preserve the Buddhist canon of the Theravada Buddhist tradition, which is regarded as the oldest complete collection of Buddhist texts surviving in an Indian language. To learn the Pali language, one can do self-study, using online references or books. Kelly's answers cover the Pali-to-English, English-to-Pali, and "passages for reading" exercises, in both literal and fluent translations. The Pali Text Society website also offers» .
