The Reformation Commentary on Scripture is a wonderful commentary series that lets the reader see first hand how Scripture was interpreted during the Reformation time period. Read more Published on Reviews: 4. In the latest Reformation Commentary on Scripture, we watch as the diverse streams of the Protestant movement converge on the book of Acts. As we return with the Reformers to this vision of Spirit-filled community, we are given a lesson in the nature of biblical reform from Reviews: 4. In the book of Acts, they found God's blueprint for how the church should participate with the Holy Spirit in accomplishing his purposes in the world. In the latest Reformation Commentary on Scripture, we watch as the diverse streams of the Protestant movement converge on the book of Acts. "The Reformation Commentary on Scripture series promises to be an 'open sesame' to the biblical exegesis, exposition and application of the Bible that was the hallmark of the Reformation. Luther can turn Paul's baptism in Acts 9 into a defense of infant baptism, while Leonhard Schiemer (an Austrian martyr, d.) uses the same text to argue for believer's baptism (). Another interest of the Reformation commentaries on Acts is treatment of the poor. The church had to deal with the poor in a world that was rapidly changing. A good introduction to reading Reformation writers for those interested is Reading Scripture with the Reformers by the Reformed Commentary series editor Timothy George. NB: Thanks to InterVarsity Press for kindly providing me with a review copy of this book.
