The Air Force only has one location for enlisted basic training: the th Training Group, at Lackland Air Force Base, in San Antonio, Texas. It doesn't matter if you're joining the active duty Air Force, the Air Force Reserves, or the Air National Guard. All new Air Force recruits go through the same basic training at Lackland. It covers the basics. You at least get an idea of what you will be going through and some information you will need to know but I feel like there could have been more information such as how to prepare such as a physical training program and more information on what you will be learning about in soyblancaalcala.com: 2. Welcome to the United States Air Force. Learn about great opportunities for enlisted airmen, officers and health care professionals. Things to Memorize before BMT 6 April, derek. You will sing the Air Force song every morning while at basic training. You'll only sing the first verse, so that's really all you need to memorize: Off we go into the wild blue yonder, Climbing high into the sun;
