Atlantis Destroyed explores the possibility that the account given by Plato is historically true. Rodney Castleden first considers the location of Atlantis re-examining two suggestions put forward in the early twentieth century; Minoan Crete and Minoan Thera/5. The destruction of Atlantis and the subsequent opportunities for souls to awaken is an integral part of the world shift. Without having learned a certain amount of self-control, and without having attained a certain level of awareness about how we are responsible for all our choices, we cannot advance.
