The covenants occupy no subordinate place on the pages of divine revelation, as even a superficial perusal of Scripture will show. The word covenant is found no fewer than twenty-five times in the very first book of the Bible; and occurs again scores of times in the remaining books of the Pentateuch, in the Psalms and in the Prophets. What is a divine covenant and what is the New Covenant in contrast to the Old Covenant? What is a divine covenant? A basic definition of a divine covenant is as follows: A divine covenant is a relational arrangement, initiated by God's sovereign dispensing of his kindness, goodness, and wisdom toward man. A.W. Pink's "The Divine Covenants" (on Kindle; free as PDF) is a 20th century particular baptist treatment of covenant theology. Pink was well acquainted with all the relevant literature. The Divine Covenants is an in-depth look at the covenants as they are presented and revealed in God's Word.5/5(1). Even so, as in all other divine covenants, the basic dynamics of biblical covenants are evident in the new covenant in Christ. In the first place, the new covenant involves divine benevolence. God promised to show great kindness to his exiled people as he established the new covenant. A covenant is an agreement between God and man, an accord whose terms are set by God. 1 In these divine agreements, God binds Himself to sustain, sanctify, and exalt us in return for our commitment to serve Him and keep His commandments.
