Los Viejos Secrets of Long Life from the Sacred Valley has 9 ratings and 3 reviews. Marie said: I picked this book up for free and was instantly a little /5. She lived among them for a few months, and she wrote that these people are dirt-poor, half-starving, and have a horrible life in which they can never stop working. Most of the centenarians work for big landowners I went through a spate of reading a series of books on longevity (Healthy at , The Longevity Project, and Roadmap to )/5(3).
