Changeling: The Lost. Changeling: The Lost is a game about those people in awful situations, who have mustered the strength to move on. Its about learning to survive in a new world, one that looks like the one you grew up in, but one youll never see the same way because of what youve been through.

Changeling: The Lost is a game by White Wolf in which you play a Changeling, a regular guy who fell into some mystical Fae shit through no fault of his own, and found himself transformed into a monster once he climbed out of it again. "Changeling: the Lost" is less thematically distinct from the other character types in the World of Darkness. However, these flaws are overshadowed by what the book does right. The system of faerie magic, contracts and pledges is soyblancaalcala.coms: The Oath-Breaker: Any Changeling known to have broken his sworn word is looked upon with extreme suspicion by the rest of Lost society, and with decent reason - the bonds of Pledges are one of the only ways Changelings can manage to trust one another.
