This volume is a compilation of theory, research, and intervention practices focused on cognition and suicide. It brings together for the first time many of the world's leading authorities, who seek to answer such questions as, How is the thinking of suicidal individuals different from nonsuicidal individuals? Author: Thomas E. Ellis. His research and scholarly work pertaining to suicidal individuals has focused on various cognitive characteristics, classification issues, and cognitive therapy interventions. His current research focuses on relationships among health beliefs, health risk behaviors, and suicide soyblancaalcala.com: Cognition and Suicide: Theory, Research, and Therapy, edited by Thomas E. Ellis, is an extremely important addition to the literature on suicide and suicide prevention. Cognition and Suicide: Theory, Research, and Therapy Cognitive-behavior therapy (CBT) leads the field of psychotherapy in the evidence-based study and treatment of many psychological disorders. However, CBT has been less prominently applied to the study and prevention of suicidal soyblancaalcala.com: \$
